Received YTD: \$292,729.89  
Budgeted YTD: \$354,900.00  
Difference YTD (**\$62,170.11**)

### FUN SUMMER FACTS

\*Next time you hear the sound of crickets chirping on a balmy summer evening, why not try this simple trick to find out the temperature.

The frequency of a cricket's chirps is consistent with air temperature, so you simply need to count how many chirps there are over 25 seconds then divide by 3 and add 4 to tell you the temperature in Celsius.

\*Did you know that on a hot day in Paris, the Eiffel Tower grows taller?

The tower is constructed from iron and when this is warmed it expands, causing the structure to grow by up to 17 cm.
