Committee Sign ups now available

As we close the school year this month, we would like to thank all moms and supporters for the hard work they have done on our committees over this past year. We have had a year full of wonderful events and fundraisers that would not be possible without the help of our volunteers! At our last Guild meeting, we began to fill positions for the committees for the 2024-2025 school year. Below you will find a Google Docs link on which you can sign up for committees if you did not have the opportunity to do so at our meeting. Our most pressing need is to fill the hot lunch and cookies committee as they begin their work soon. You do not need to be a Guild member to volunteer to help. Please check out the other openings as well and prayerfully consider helping our school by volunteering.
